

# Peace *of* Mind

**FOR YOUR FAMILY. FOR YOUR FINANCES.**

## **CREMATION PLACEMENT FROM \$295**

*Cremation is a simple, dignified and affordable option for your loved one's final arrangements.*

*But the process of cremation should not be your last consideration.*

*The human desire for remembrance and connection—memorialization—is strong.*

*At Glen Eden, you can provide a lasting memorial at a price that fits your family's budget.*

For only \$295, your loved one's cremated remains can be placed in a congregational crypt at one of Glen Eden Memorial Park's two locations—Glen Eden in Livonia or Glen Eden East in Macomb Township. A congregational crypt is an indoor burial vault that holds the cremation urns of a number of unrelated people. Sharing the cost of the crypt with others is what makes this option so affordable.

At Glen Eden, Livonia, your loved one's name can be placed on a cenotaph plaque adjacent to the congregational crypt for an additional \$300.

### **GENERATIONS OF TRUST**

By choosing Glen Eden, you will be assured that friends, family and descendants can pay their respects in an environment of peace, tranquility and natural beauty for generations to come.

Founded in 1929, Glen Eden is a non-profit cemetery, owned and operated by a community of Lutheran churches. Strongly endowed and funded for perpetual maintenance, it provides families of all Christian faiths with individual care and understanding.

## DISTINCTIVE PLACEMENT CHOICES

FOR AN ADDITIONAL MODEST INVESTMENT

*Glen Eden offers a wide range of plans for the placement of cremated remains with considerable freedom for personalization in traditional in-ground or mausoleum settings. Our cremation plans include a niche space, urn and lettering. Constructed of the finest materials with bronze, glass or marble fronts, niche spaces provide an enduring memorial. A glass niche can display personal mementos, allowing for a truly personalized tribute.*

### TRADITIONAL IN-GROUND BURIAL

Individual and family lots are available in more than a dozen gardens distinguished by specific themes—such as Valor, Serenity, Reformation, Faith and Resurrection.

### MAUSOLEUM

Indoor memorialization is ideal for year-round visitation by loved ones, regardless of the weather. Once exclusively for the wealthy, today the advantages of above-ground burial are well within the reach of all Christian faiths.

The **Chapel Mausoleum** at our Livonia location features several memorial corridors, a committal chapel and a glass-covered atrium. Numerous skylights bathe the interior with the glow of natural, direct light, and brilliant stained glass radiates color in a setting of quiet comfort.

Our Livonia mausoleum, **St. Gabriel Mausoleum**, is bathed in natural light from the skylights above, embracing visitors with a peaceful feeling. Designed with the finest Italian marble and granite, it is a graceful and everlasting memorial.

The newly completed **Our Redeemer Mausoleum**, with its stone masonry veneers and crown molding, carries over the classic design of the adjacent old-world style Our Redeemer Chapel, the focal point of Glen Eden East—a truly distinctive setting to be honored and remembered.

### OUTDOOR NICHE SETTINGS

Glen Eden's inspirational outdoor settings offer ideal choices for honor and remembrance. **The Planter Niches** feature an array of landscaped locations. **The Plaza Niches** offer a serene setting for commemoration of a life.
